3 Bedroom, 2.00 Bathroom, 934 sqft

Single Family on 0.00 Acres

Sherwood Heights, Sherwood Park, AB

Rare opportunities of this nature seldom come available. This massive double corner lot has many heavily sought after features . The style of home is also in growing demand with its open beam vaulted ceiling in the living/dining room. Positioning of the home on the lot is also ideal should you wish to add on square footage. In addition to the single attached garage there was a second oversized garage added in 1998 which was permitted before construction and is 22 ft x 24 ft. This structure was fitted with 220 wiring. Front driveway would cost a small fortune at today's cost per meter and it's in immaculate condition. There is a large permitted sunroom across the back of home which was built in 2003. Sewer line also redone by Strathcona County in 2020. Interior layout is currently a three bedroom and two bath home. It has original hardwood throughout that was covered over with carpet. Now removed and floors are in good refinishable condition. Solid home in need of some upgrades but priced accordingly.

Built in 1959
